Call us at (800) 749-0464 | Email us at info@hpncustommedia.com

OUR CAPABILITIES

- We offer custom-media solutions, including turnkey book design, writing, editing and production.
- We offer our clients separately-customized services including print, digital, photo and video media-solutions, and related website design and events-management services.
- Our experienced and multi-talented team has been providing these solutions to clients including cities, chambers of commerce, trade associations, corporations, foundations, and institutions across the U.S. for over 40 years.

OUR PRODUCTS

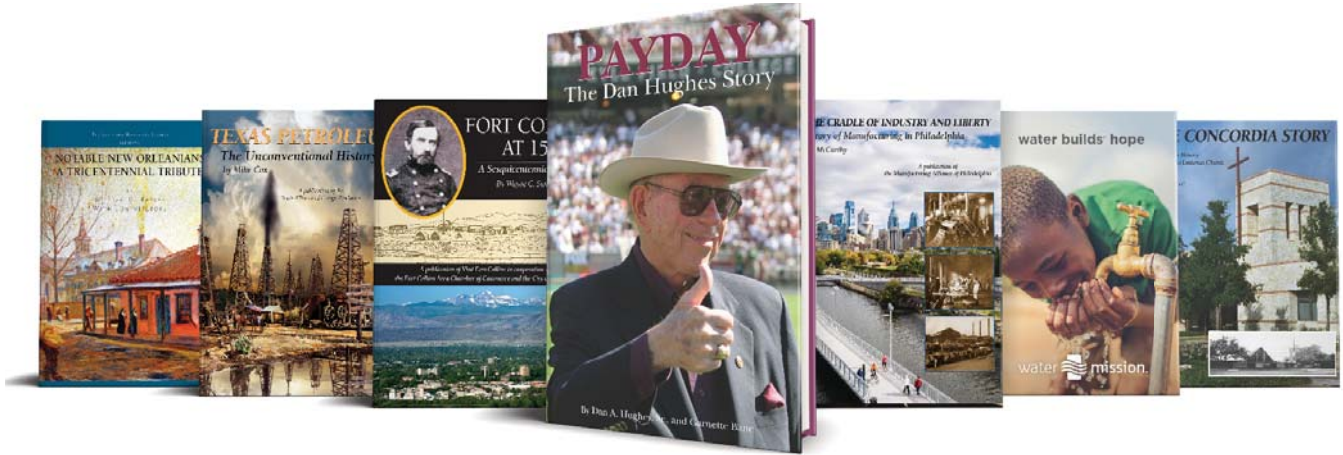

- Anniversary & Commemorative Books
- Corporate & Institutional Annual Reports
- Neighborhood History & Transformation Books
- Economic Development & Tourism Promotion Books
- Product & Brand Promotion Books
- Family & Individual Heritage & Legacy Books

In addition to designing, editing and producing glossy custom coffee-table books marking clients' commemorative or transformational milestones, HPN-CMP offers a wide array of complementary media services. These additional services include designing custom websites dedicated to a specific commemoration or celebration as well as producing and managing related events in a convenient turnkey package to fit clients' specific needs.

Individualized quote and proposal for complementary services are readily available upon request. Our turnkey custom-media solutions built on 40 years of experience and track-record come with "Peace of Mind" for our clients.

OUR BOOK PACKAGES

Our products & services are built around book-packages falling into 3 levels as described below with each package of products & services customized to fit your needs follows:

Platinum Book-Package: A CMP Team made up of professional writer(s) and photographer(s) will work with your staff at your headquarters to gather facts and information, interview key persons, associates as well others you designate then return to CPM to author your history.

Gold Book-Package: You provide the images from your files. A CMP professional writer will work with your staff, interview key people, associates, Etc. via phone, email, Skype then write your history.

Silver Book-Package: You provide CMP with hi-res photos and an detailed outline of your history and CMP does the rest.

All HPN Custom Media & Publishing Book packages Typically Include:

- approval by the client at stipulated stages of the project's progress
- page layout and design by CMP's Team of graphic designers
- client's choice of landscape or portrait orientation
- dust-jacket or laminated hardcover

We will manage delivery of the finished book to the client and/ or distribute to 3rd parties at the client's instructions, with participation of our Third-Party Logistics-partners as needed.
